ABOUT THE PROJECT

Servicing the community is what this new convenience store is all about, including offering a new and expanded home to another local established business - the DQ®.

PROJECT FEATURES

- Expanded live bait and tackle center for area and visiting fishermen.
- Payment at the pump option allows fuel to be purchased 24 hours a day.
- Dairy Queen® offers seating for 40 and a drive-thru for commuters on the go.
- Commons area features handicap accessible restrooms and pay phone.
- Extensive use of ceramic tile in the restrooms.
- A sense of openness is created through the use of a full 11 foot ceiling in the convenience store area and a 12-foot ceiling in the commons area.

PROJECT SPECIFICATIONS

- Building utilizes a rock face veneer and conventional wood frame construction
- 1,857 square foot convenience store
- Utilizes a Butler® standing seam roof
- 677 square foot commons area with handicap accessible restrooms and pay phone.
- 1,716 square foot Dairy Queen®
