ABOUT THE PROJECT

Located at a major intersection in Clara City, this truck stop really is a full service "crossroads". Catering to the professional drivers passing through the area is a high priority for this small town truck stop big on convenience.

PROJECT FEATURES

- Full service Embers America® restaurant includes a private seating area for professional drivers complete with phone in the booths.
- Offers a great variety of groceries, automotive, self-serve food programs, and other convenience items.
- Truckers lounge complete with showers, laundry facilities, and telephone seating as well as video games for relaxation.
- Accommodates truck/semi traffic at a separate pump island offering diesel fuel.
- Video rental area serves the entire community as well as drivers relaxing in the truckers lounge.

PROJECT SPECIFICATIONS

- 8,400 square foot structure utilizing Butler® Manufacturing's Shadowrib™ Building System featuring a brick and Dryvit facade.
- Butler® Manufacturing MR24™ Roof System.
- 4,007 square foot restaurant
- 3,509 square foot convenience store
- 917 square foot truckers lounge/shower/laundry
- 221 square foot video rental area
