ABOUT THE PROJECT

Much more than just a place to buy gas or milk, J-Mart has become a neighborhood staple. Offering Cousins Subs®, Piccadilly Pizza® and TCBY® yogurt, this is a favorite family stop.

PROJECT FEATURES

- Large seating area to accommodate customers of the fast food venues.
- Offers three branded food options to customers, as well as self-service bakery, novelty and beverage items.
- Extensive use of ceramic and quarry tile throughout the interior of the convenience store and carwash.
- Accommodates truck/semi traffic off of Interstate 35E by offering diesel fuel.
- Staggered pump design provides petroleum customers with an "easy in/easy out" traffic pattern.
- Two touchless rollover car washes.

PROJECT SPECIFICATIONS

- 4,915 sq. ft. structure utilizes wood truss building system with split face block walls
- Utilizes a single membrane rubber roof system.
- 2,772 sq. ft. double carwash
